Welcome to Season 56 at The Barn Theatre

“Let Us Entertain You!”

For over half a century, The Barn Theatre has been where Martin County gathers to experience the magic of live performances, created by and for our community.

As Martin County’s very first and longest running community theatre, we have spent over five decades bringing stories to life, fostering creativity, and building connection through the power of live performance.

As we look ahead to Season 56, we honor our history while actively shaping our future. We are committed to ensuring that live theatre in our community not only continues, but thrives for generations to come.

This season, we invite you to enjoy a dynamic lineup of beloved musicals and inspiring stories:

- * *Sister Act*, is a joyful and uplifting musical filled with powerful vocals, humor, and heart.
- * *How to Succeed in Business Without Really Trying* is a sharp and witty satire of corporate ambition and climb the ladder antics.
- * *Anything Goes* is a dazzling, high energy classic packed with romance, comedy, and unforgettable Cole Porter songs.
- * *Come From Away* is a moving and remarkable true story of kindness, humanity, and connection in the face of the unexpected.
- * *Disney’s The Little Mermaid* is a magical underwater adventure for audiences of all ages.

The magic of The Barn Theatre is made possible by the performers, directors, musicians, designers, technicians, and volunteers who so generously give their time and talent. We are equally grateful to our patrons, donors, advertisers, and community partners whose support allows us to continue growing.

Together, we are not just preserving theatre.
We are building its future.

The story of The Barn Theatre is, at its heart, a story of community.

What began in 1967 as a small group of Martin County residents gathering to create theatre together has grown into something far greater than a stage. From borrowed spaces and handmade solutions to the purchase of a humble barn built on faith and determination, this theatre was shaped by people who simply believed in the power of storytelling and the importance of having a place to share it.

Over the years, that same spirit has carried us forward. With each season, we have continued to raise the bar for community theatre in Martin County, expanding our productions, strengthening our artistic standards, and investing in the tools that allow our performers and creatives to shine. From advancements in sound and lighting to the recent addition of our LED video wall, our growth reflects both our ambition and our commitment to excellence.

And yet, through it all, we remain rooted in the same foundation that started it all. We are a theatre built by and for this community. Every production, every performance, every moment on stage is made possible by the passion, generosity, and talent of those who call Martin County home.

As we look ahead, we carry this legacy with us, honoring where we began while stepping boldly into what comes next.
